

## **North Carolina Association of Public Health Nurse Administrators**

October 13, 2008

Dear Colleagues,

It is my pleasure to invite you, on behalf of the Governing Board, to the **61st Annual Conference** of the North Carolina Public Health Nurse Administrators. The conference will be held December 4-5 at the Embassy Suites in Greensboro.

The keynote speaker for this year's conference is Greg Mayo. Mr. Mayo's topic will be **Workplace Conflict**. This is a great opportunity to learn new strategies in dealing with workplace issues.

You will also have the chance to hear from our public health leaders, legal experts, and to network with other colleagues from across North Carolina. This annual conference assists public health nurses to be more knowledgeable and to prepare for the challenges that public health faces.

Feel free to contact your officers, committee chairpersons, and regional representatives with your concerns regarding public health or your association. We look forward to seeing each of you in December.

With Warm Regards,

Amy Parker  
2008 NCAHPNA President
