Position Responsibilities

This position performs nursing services in Family Planning, Adult Health/BCCP, Prenatal, and Communicable Disease Clinics.

Knowledge, Skills, and Abilities

Knowledge of:

- The application of nursing theory, practices, principles, and techniques employed in the field of public health and related programs;
- The ability to apply the principles and practices of public health;
- Available resources and organizations and the ability to coordinate these as needed;
- Current social and economic problems relating to public health.

Ability to:

- Deal tactfully with others and to exercise good judgment in appraising situations and making decisions;
- Secure the cooperation of clients, to elicit needed information, and to maintain effective work relationships;
- Record accurately services rendered and to interpret and explain records, reports, and medical instructions;
- Plan, coordinate and supervise the work of others.

Minimum Education and Experience Requirements

Graduation from a four-year college or university with a Bachelor of Science degree in Nursing which includes a Public Health Nursing rotation; or graduation from an accredited school of professional nursing and one year of professional nursing experience; or an equivalent combination of education and experience.

Special Requirements

Copy of current North Carolina RN license must be provided with application. Must have a valid driver's license and be in compliance with the Onslow County's insurance regulations.
